4F Southwood, 6-1 Chigasaki-chuo, Tsuzuki-ku, Yokohama, Kanagawa 224-0032, Japan TEL: +81-045-482-6353

IMPORTANT NOTICE: MEASUREMENT DATA TAKEN AT THE TIME OF SHIPMENT WILL NO LONGER BE PROVIDED

Until now, we have included the measurement data taken at the time of shipment in the product packaging, free of charge. To promote paperless operations, starting June 2026, this data will no longer be provided. Customers who require the measurement data may purchase a “Test Report” or “Calibration Certificate.” For details, please contact our sales office or the seller from whom you purchased the product.

■ Affected models and discontinuation schedule

1. Affected products: All models except the TOS 52 series, TOS 53 series, and BIM series
Discontinuation effective for units manufactured from June 2026.
2. Affected products: TOS 52 series, TOS 53 series, and BIM series
Discontinuation effective for units manufactured from August 2026.

The TOS 93 series and TOS 54 series measurement data taken at the time of shipment will still be included.

For questions and inquiries, please contact Kikusui Electronics Corp. directly or get in touch with the nearest local distributor.
